Zodiac Signs App

In this app, people will choose their zodiac sign, and the app will tell them an interval of when their birthday happens.

What is your Zodiac Sign?

Capricorn

Birthday Range

This screenshot shows a mobile-style application interface. On the left, there's a sidebar with the title 'Zodiac Signs App' at the top. Below it is a paragraph of descriptive text: 'In this app, people will choose their zodiac sign, and the app will tell them an interval of when their birthday happens.' Underneath this is a question 'What is your Zodiac Sign?' followed by a dropdown menu. The dropdown menu has 'Capricorn' selected. On the right side of the screen, the main content area is titled 'Birthday Range'.
